

Water in the font.

God's saying:

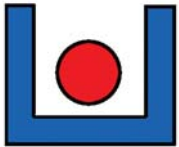

It's you I want.

Preaching

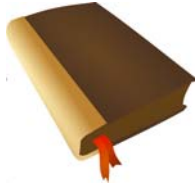

Pastor

In

Pulpit

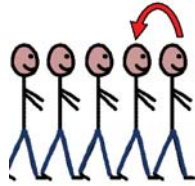

The B-I-B-L-E

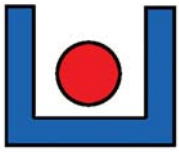

That's the book

for me!

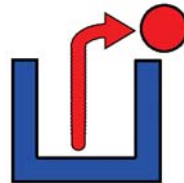

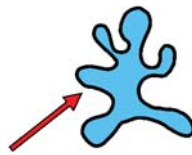

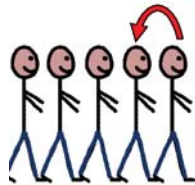

We follow the cross

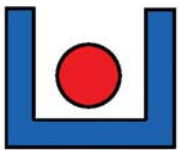

into church

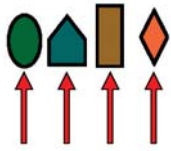

as we pray.

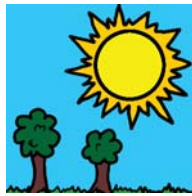

We follow it out

into the world

each

day.

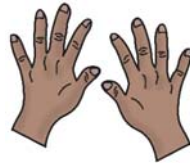

God

loves

you

Clasp your hands

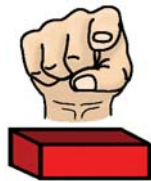

Close your eyes

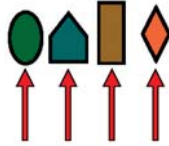

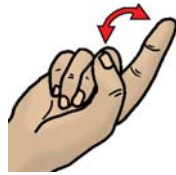

God hears your prayers

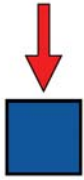

&

and your cries.

We come each week

to this place

Because we need

God's endless grace.

All

alone

I

bleet, bleet, bleet.

Jesus

loves

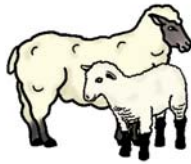

me

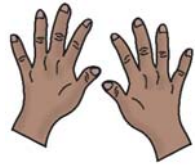

His

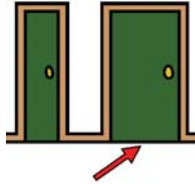

little

sheep.

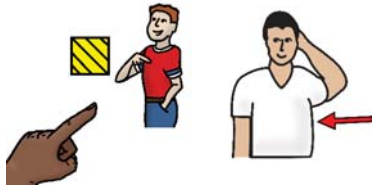

Jesus' hands are

open wide.

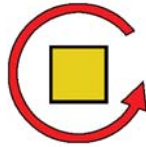

He calls us all

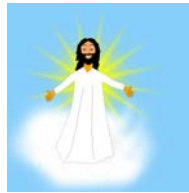

to his side.

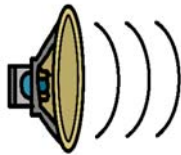

Music plays from

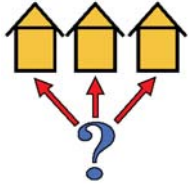

all around.

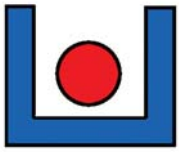

Let's praise Jesus

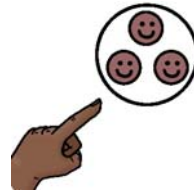

with our sounds

Where are we sitting?

In a pew!

&

There's room for them and

&

me and you!
