

**Sometimes**

**People**

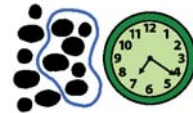

**Go**

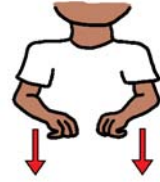

**to Church**

**Some people think going**

**to church is fun. Sometimes**

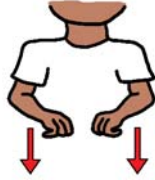

**during church I am able**

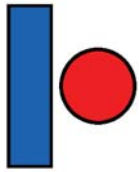

**to sing with others.**

When I sing I will be

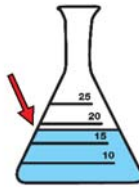

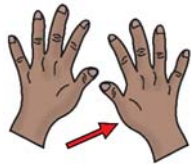

sure I can hear the person

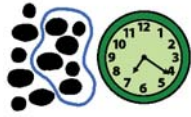

next to me. That way I

know I am singing at

the right volume.

**Sometimes**

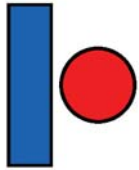

**I**

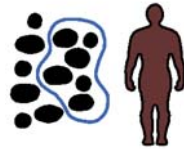

**will**

**sit**

**next to**

**someone**

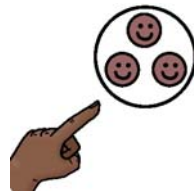

**I**

**do not**

**know.**

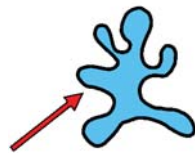

**If they**

**say, "hello"**

**to me,**

**it is**

**polite**

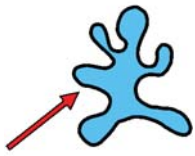

**to**

**say,**

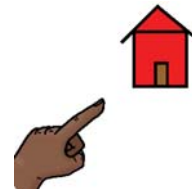

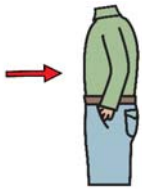

**"hello."**

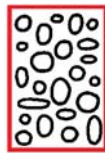

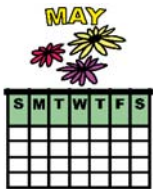

It is respectful to sit

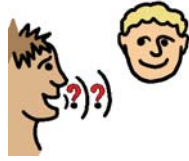

quietly while the pastor up

front is speaking. There

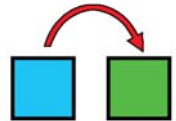

may be a lot of people.

**If I am asked to speak,**

**I should speak quietly**

**so I do not disturb other**

**people.**
